

URKUNDE

The company

**STIEGLBRAUEREI ZU SALZBURG
KENDLERSTRASSE 1
5017 SALZBURG | AUSTRIA**

is hereby recognized with the Slow Brewing Quality Seal by virtue of demonstrating its compliance with the strict quality criteria set forth by our accredited institute and panel of independent brewing experts. The fulfillment of these criteria is continuously monitored.

The exceptional and distinctive beer

STIEGL HELL

not only represents a premium quality product for consumers but also fulfills our comprehensive requirements for production. These include traditional brewing techniques, slow and gentle wort and beer production processes, an environmentally conscious distribution system as well as an emphasis on the fair and considerate treatment of all members along the entire supply chain.

By fulfilling all of the requirements for certification, the Slow Brewing Quality Seal has been awarded to this beer for its excellent quality. Slow Brewing hereby grants permission to display the quality seal and this certificate.

The Quality Seal for this product is valid for a period of 15 months commencing
23 MARCH 2021
