The company

**STIEGLBRAUEREI ZU SALZBURG
KENDLERSTRASSE 1
5017 SALZBURG | AUSTRIA**

is hereby recognized with the Slow Brewing Quality Seal by virtue of demonstrating its compliance with the strict quality criteria set forth by our accredited institute and panel of independent brewing experts. The fulfillment of these criteria is continuously monitored.

Beers of distinction are produced by this brewery. They not only represent premium quality for consumers but also fulfill our comprehensive requirements for production. These include traditional brewing techniques, slow and gentle wort and beer production processes, an environmentally conscious distribution system as well as an emphasis on the fair and considerate treatment of all members along the entire supply chain.

Stieglbrauerei zu Salzburg has fulfilled all of the certification requirements for the Slow Brewing Quality Seal. Slow Brewing hereby grants permission to display the quality seal and this certificate.
